

**Interior Health**  
*Every person matters*

March 11, 2022

Dear Parents / Guardians of Nelson Waldorf School students,

Happy, almost there, spring.

**Public Health does not provide vaccines at your school.**

This letter is “for your information” only.

Students who have missed vaccines remain eligible to receive them at any time.

These are the routine vaccines for students in Kindergarten or Class 1 and in Class 6.

**Kindergarten / Class 1:** These are generally booster doses.

Diphtheria, Tetanus, Pertussis (whooping cough) and Polio (TdaP-IPV)  
Measles, Mumps, Rubella and Chickenpox (MMRV)

**Grade 6:**

Hepatitis B vaccine (Hep B)  
HPV (Human Papillomavirus)  
Chickenpox (varicella) vaccine

A variety of information about each of these vaccines, and more, is located in one spot at

<http://www.interiorhealth.ca>

Click on Health and Wellness, Immunizations and Vaccines, School-Age Children & Youth Immunization, Resources.

Your family doctor and/or a Public Health Nurse, including me, are available to answer questions.

You may book an appointment at Nelson Health Center, 250-505-7200, or at a pharmacy (for children over five years old).

Regards,

Early Evans, RN, BSN  
Public Health Nurse  
Direct Line: 250-505-7222
